

Open Canoe Sailing Group Meet Report

Dates & Venue:

Friday 22nd – Sunday 24th March, 2024 at YMCA Lakeside, Newby Bridge, Windermere

Turnout :

15 people with 10 sailing canoes

Weather & water conditions:

Saturday was quite windy and gusty, Sunday was much better.

Activities:

With Saturday being so windy, only a couple of canoes ventured out (and survived, thankfully!) Others went cycling or walking.

Sunday was much better and more people managed to get on the water, including up to Bowness.

Remarks:

Fewer attended than last year but was still deemed to be worthwhile by those who were there.
